SUBJECT: SLOVENIA: BUDGET MEETS TRANSPARENCY REQUIREMENTS  
FOR FMF/IMET ASSISTANCE

REF: SECSTATE 28885

11. The Government of Slovenia's budget is publicly available, including specific breakdowns of incomes/revenues and expenditures per quarter. Because Slovenia receives FMF and IMET funds, its budget must meet the transparency requirements of section 7088(c) of the Foreign Operations Appropriations Act. Post's assessment is that Slovenia's budget data meets these requirements since the data are accurate, published in a timely manner, and easily available to the public online, in print, and by request.
